## Welcome to the 4<sup>th</sup> Edition of World Congress on VIROLOGY & INFECTIOUS DISEASES (WVID- 2025)

Innovinc International welcomes you to attend *4<sup>th</sup> Edition of World Congress on VIROLOGY & INFECTIOUS DISEASES (WVID-2025) the during July 10-11, 2025 at Vienna, Austria.* We cordially invite all the participants who are interested in sharing their knowledge and research in the area of Infectious Diseases.

Innovations in **VIROLOGY & INFECTIOUS DISEASES (WVID-2025)** anticipates more than 250 participants around the globe with thought provoking Keynote lectures, Oral and Poster presentations. This is an excellent opportunity for the delegates from Universities and Institutes to interact with the world class Deputy Directors of Infectious Diseases industry, CEO'S, Researchers, Lectures and Students.

Participants from the top international academic, government and private industry labs of different disciplines participate in WVID-2025 to identify new technology trends, development tools, product opportunities, R&D collaborations, and commercialization partners. It is an excellent event for students to meet and discuss with lead researchers. The conference provides an unprecedented opportunity to discover innovation in the area of Infectious Diseases. It is among the most important events in terms of international regulatory policies and it is open to the participation of private companies.

Regards,

**Stella Gibbons,**

Conference Chairman

**WVID-2025**

### About us

Innovinc International Conferences are powered with knowledge, experience and amazing people and has managed to become one of the leading B2B event organizers. By gathering expert speakers and leading professionals, providing them with strategic knowledge and growth opportunities. Our goal is to always to focusing on innovative trends, covering the most up-to-date topics and working with top industry minds to prepare and execute the high-quality premier events. Our mission is engaged in organizing the conferences, publishing the high-quality conference proceedings, as well as providing services to scientists and young researchers on recent research updates in all fields

# CONFERENCE HIGHLIGHTS

Conference sessions may be geared toward participants with different levels of experience or different positions. Main conference sessions include the following 20 tracks and 70 sub-tracks. Choose to follow one track or move between tracks to create your own personalized conference experience.....

- Viral Pathogenesis
- Viral Genetics and Evolution
- Vaccines and Immunology
- Virology and Gene Therapy
- Epidemiology and Public Health
- Emerging and Reemerging Infectious Diseases
- Antiviral Therapies & Diagnostic Virology
- Clinical Virology
- Infection Control and Prevention
- Global Health and Infectious Diseases
- Pediatric Infectious Diseases
- Bacterial Infections
- Clinical Microbiology
- Tropical diseases
- Sexually Transmitted Infections
- HIV and related viruses
- Influenza & Malaria
- Microbiology & Immunology
- Hepatitis C & Coronavirus (COVID-19)

## Registration:

<https://infectious-diseases.org/registration>

## WHY YOU SHOULD ATTEND

- To Meet renowned speakers, world's leading CEO's, Assistant professors, Professors of Infectious Diseases
- To know about the ongoing research projects and innovations in Infectious Diseases
- Chance to collaborate research organizations with industries
- To share the research ideas and implement them
- New contacts to enhance the business opportunities
- Build relationships of influence with key people in the field
- Generate brand awareness and sales leads qualified by meaningful conversation
- Deepen your understanding of the field and how best to engage with it
- Engage with high profile international and national speakers
- Connect with potential partners and commercial allies
- Promote and showcase the new technology, the new products of your company, and/or the service your industry may offer to a broad international audience.

## YOUNG RESEARCH FORUM:

We welcome all the young researchers and students to present your study in the Poster Competition. Innovinc conferences provide you an opportunity of presenting your research-in-progress to international audience and experts in a visual format. As a poster presenter, you will have a unique opportunity to combine visual and oral explanations of your project. This competition is open to all students (Graduates, Post Graduates and Research Scholars). Posters will be evaluated by the conference committee and the Honorable Judge. Best posters awards will be given to the winners as selected by the Judge.

## POSTER PRESENTATIONS:

The posters will be displayed at the conference and the top 5 abstracts will be invited to give oral presentations, with the best one awarded a prize at the conference. All abstracts must be submitted and presented in English, may not be longer than 300 words. Abstract titles should be written in capital letters and may not be longer than 60 characters. If an abstract is accepted, authors must attend the meeting and present it in person. Abstracts are to be presented as a poster. The size of the poster should be 90 x 120 cm. All accepted abstracts will be printed in the meeting abstract book.

## GUIDELINES FOR POSTERS:

Preferred size: A1 (if resubmitting a poster from a previous event please state poster size on abstract submission) Poster can be resubmitted from another conference (within the last 18 months) One or more of the author(s) will be expected to attend the conference Details regarding displaying the poster at the conference will be given nearer the time.

## REGISTRATION:

Register here: <https://infectious-diseases.org/registration>

## CANCELLATION POLICY:

- Cancellation policy is strictly followed and all cancellations must be made in writing.
- Before two month will receive a full refund, less a €100 towards administrative fee. Cancellations received after close of business [before one month of the conference start date] are non-refundable.
- The registrations with discounted prices are transferable but not refundable at any point of time.
- In this case if the applicant is author, the paper will still be published in the conference proceedings and delegates will receive an electronic copy of the proceedings.
- Refunds will be made within 28 days of receipt of cancellation notification.

## IMPORTANT DATES

Abstract Submission starts on: **July 01<sup>st</sup>, 2024**  
Registration opens: **July 05<sup>th</sup>, 2024**  
Conference dates: **July 10-11, 2025**

**CONFERENCE VENUE - VIENNA, AUSTRIA**

## ABOUT - VIENNA, AUSTRIA

Vienna, Austria's capital, lies in the country's east on the Danube River. Vienna offers a blend of imperial traditions, music, and endearing charm. A city that inspires with the old and the new alike, and always has a cosy place available in a coffee house or wine tavern. Vienna's history dates back to the first post-Christian century, when the Romans established the military camp Vindobona. Today's cityscape is characterised by the abundance of Baroque buildings created mostly under the rule of Empress Maria Theresia (1740 - 1780) and Franz Joseph (1848 - 1916), who was largely responsible for the monumental architecture in the city's center.

Vienna developed from early Celtic and Roman settlements into a Medieval and Baroque city, the capital of the Austro-Hungarian Empire. It played an essential role as a leading European music centre, from the great age of Viennese Classicism through the early part of the 20th century. The historic centre of Vienna is rich in architectural ensembles, including Baroque castles and gardens, as well as the late-19th-century Ringstrasse lined with grand buildings, monuments and parks.

Right in the heart of the city, the Gothic St. Stephen's Cathedral casts its shadows through narrow cobblestone streets. The palaces and parks of the Habsburg era - Schönbrunn Palace with the Gloriette and the zoo, Belvedere Palace, and the Hofburg palace - give the city an imperial air, enriched by beautiful buildings from the Art Nouveau period. On a trip along the Ringstrasse, we must see the Vienna State Opera, the Museum of Art History and its counterpart, the Museum of Natural History, the Parliament, the Burgtheater, and the City Hall.
